How To Build a Great Profile

Hey Talent - Here are some helpful tips to make your Tallo profile awesome

*Earn your star rating
Earn a 2-5 star rating based on the overall strength & completeness of your profile

Upload a profile pic
Colleges and companies want to see the face behind your talent

Add scores & interests
Show your aptitude and indicate what career fields you want to explore

Shine with videos
You're more than grades - show personality, skills and involvement with videos

Request Digital Badges
Request, earn, and display your digital badges on your Tallo profile

Highlight activities
Add all the things you're involved in like experiences & accomplishments

Add schools of interest
Showcase the colleges and technical schools you're interested in attending

Courses, Grades & Files
Complete your digital portfolio by adding your courses, grades and files such as school projects, recommendations, earned certificates, and more

GEOGRAPHIC PREFERENCES: California, Delaware, Georgia, South Carolina
ASSOCIATIONS: HOSA - Future Health Professionals, National Honor Society, Girl Scouts of the USA, National Technical Honor Society...

Education
Current Schools
North Boone High School — 2016 - Present
Poplar Grove, IL / USA — GPA: 3.3/4

Accomplishments
Part of "Girls Who Code" Initiative June 2016 - Present
Each week of the program covers projects related to computer science such as art, storytelling, robotics, video games, web sites, and apps. You'll also hear from guest speakers, participate in workshops, connect with female engineers and entrepreneurs, and go on field trips. The program culminates in a final project where you build your own product and share it with your class.

PLTW Portfolio - Intro to Engineering & Design August 2014 - May 2015
This is my portfolio showcasing all my work from my PLTW - Introduction to Engineering & Design Courses for 2015. Please click on the link provided to view my full profile!

Microsoft Office Certification June 2012 - Present
I've demonstrated that I have the skills needed to get the most out of Microsoft Office by earning a Microsoft Office Specialist certification in a specific Office program

Extracurricular / Community Service
Girl Scouts Church Recycling Project August 2018 - August 2018
I obtained recycling bins for the church and school, raised awareness of recycling in the community, and taught the parishioners, staff, and students how to recycle. I also authored a comprehensive K–8 curriculum about being environmentally friendly, hosted a "Go Green" workshop, and created an informational recycling DVD.

Experience
Technology & Engineering Internship at Google January 2017 - May 2017
As a Technical Program Manager Intern at Google, I led complex, multi-disciplinary engineering projects using my engineering expertise. I planned requirements with internal customers and ushered projects through the entire project lifecycle. Through this experience, I learned how to problem solve, think critically, and collaborate with a team to find a solution.

Girl Scout Camp Counselor June 2011 - July 2011
I was responsible for leading a group of 10 girls on a camping trip. Skills used were time management, organization, and leadership.

Publications
Group of High School Students Give Back October 2013
Habitat for Humanity project
