

# How to Review Explore SAE (Teacher)

**Purpose:** This guide is to help teachers review their students' progress and completed assessments from ExploreSAE.com

## Step 1: Getting Started - Share Explore SAE with your students

On the homepage of [ExploreSAE.com](http://ExploreSAE.com) choose "SAE Resources" this will help your students with vocabulary to complete the assessment. Next, have each student complete "Explore Your SAE" (see student guide) and complete all sections.

- ✓ Login to your chapter AET account
- ✓ Choose "Explore SAE" on the left-hand side menu of your AET program menu to view their work

## Step 2: View your students SAE Interest

- ✓ Choose a Date Range of your students entries
- ✓ Compare your program's data to your state and National results
  - What is reported? SAE Type, Amount of Time Available and AFNR pathway interests
  - Scroll down for more details...Step #3

## Step 3: Grade your Student SAE Interest

- ✓ Under the Student SAE Assessments you can review what students have completed
- ✓ If they are 100% complete you will be able to pull a PDF of their answers
  - You can use as a participation grade or use the % Complete score
  - You can read their draft plan from the narrative section (Section 4)
